

Denkspel

Atlantis escape

1. Je kiest één situatie per keer.
2. Je speelt dit denkspel alleen of met twee. Doe dit wel rustig! Je mag de anderen die nog bezig zijn niet storen. Je vraagt geen hulp aan de leerkracht.
3. Je werkt deze opdracht af vooraleer je een andere neemt.
4. Je verzorgt het materiaal dat je gebruikt! Wees er voorzichtig mee.
5. De oplossing staat op de achterkant van het papier.

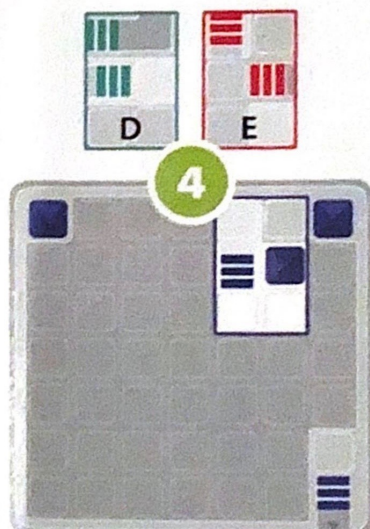

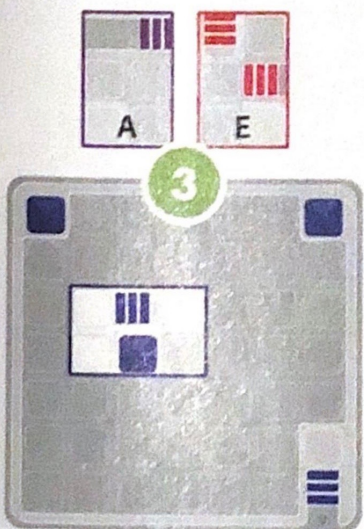

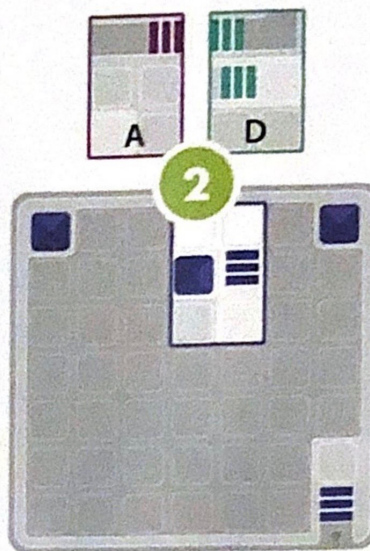

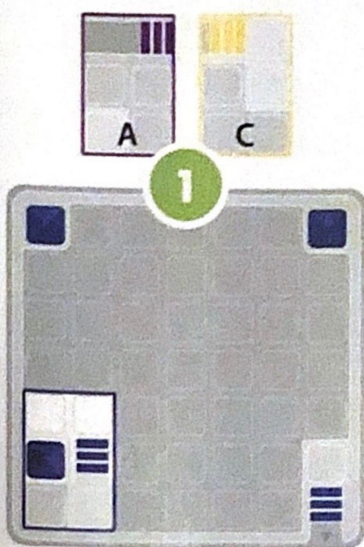

6. Uitleg spel

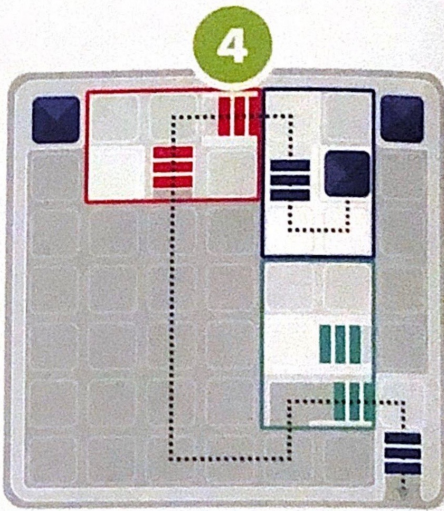

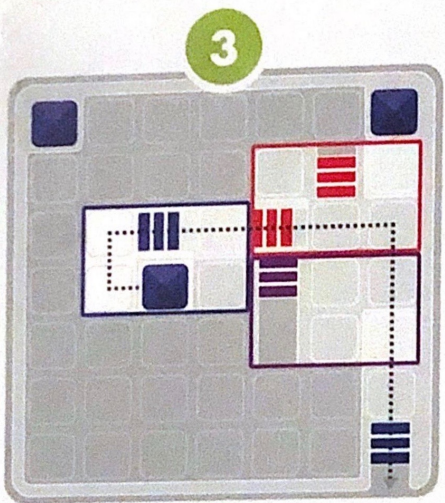

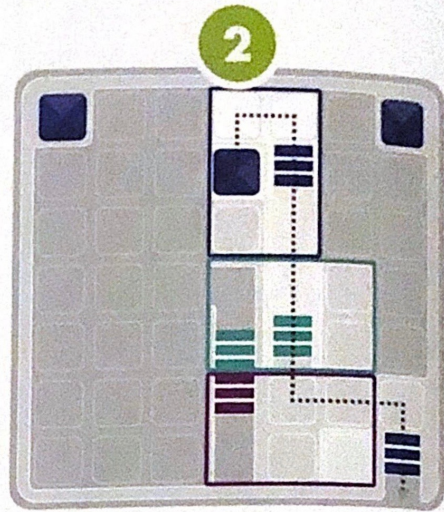

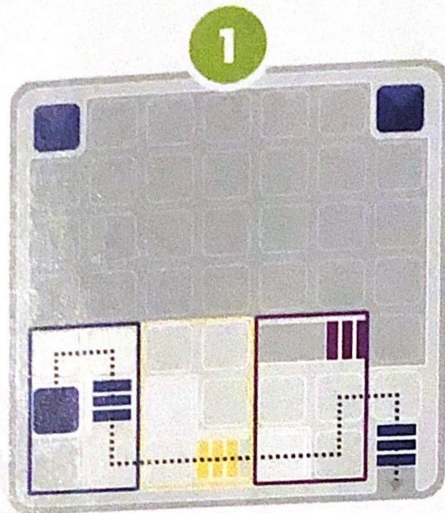

Je kiest een bepaalde situatie uit. Hierop staat waar je de hoge toren moet plaatsen. Boven de afbeelding staat ook welke trappen je gaat gebruiken. Je gaat dus niet alle trappen moeten gebruiken. Met die trappen ga je een route maken. Je gaat van de hoge toren naar het kleinere blauwe trapje een route maken.

7. Veel succes!
